

CLARION HOTEL ARLANDA AIRPORT

.....
A LITTLE TASTE OF GREAT ART

The hotel artists present:

AN UP-CLOSE JOURNEY: PEOPLE, ANIMALS AND NATURE

.....

Sara Appelgren & Johan Willner (NEBRASKA)

Sara Appelgren and Johan Willner have created a series of photographic portraits of people related to airport environments. They are designed to be seen at a distance, as well as in detail at close range. These images are exhibited in the Runway restaurant.

Ernst Billgren

In 1991, Ernst Billgren created a mosaic and terrazzo fountain for Arlanda Airport. It has since been renovated and supplemented with newer details in bronze and placed in the piazza in front of the hotel entrance on the ground level.

Mattias Klum

Mattias Klum participates with a selection of his engaging photos from around the world. On the thirteen floor, there is a special "Gallery Klum", where exhibits of nature photographs will continuously be replaced with newer ones.

Julian Opie

Julian Opie has created an LED sculpture especially for the hotel. The sculpture represents a swarm of colorful people

in motion. It is a floor-to-ceiling sculpture and is located in the hotel's Living Room.

Mette Tronvoll

Mette Tronvoll displays photos from a trip to Greenland; the melting of the ice sheet and people bathing in hot springs. There is also a series of images from Japan depicting women following the tide. These photos are hanging in the reception, the elevators and in the restaurant, Kitchen & Table.

Dawid

Dawid (Bjorn Dawidsson) has beautifully photographed an eagle wing symbolizing strength, vigilance, escape and freedom. This impressive image is hanging in the reception area.

The hotel takes great pride in having a green profile. It permeates everything and has even influenced our choice of artwork. Art should be positively thought-provoking and engaging, as it is often about life and beauty, which risks being lost. Curator: Sune Nordgren
